

CARDIAC SURGERY OFFICE DIRECTIONS

Getting to our office:

Enter through the Main Entrance, which is across the street from the blue parking lot/hospital garage. Immediately after entering the main hospital, the MHVI Lobby entrance will be on your right. Enter the MHVI Lobby and walk past the reception desk on your left- DO NOT check in or sign in here. Make a left down the hallway immediately following this reception desk and follow the signs for Cardiac Surgery. Continue down that hall for a short distance—continue walking past the first reception desk and waiting area. The Cardiac Surgery reception desk/check-in area is at the end of the hall on the right and will be clearly marked.

Mailing address:

MedStar Washington Hospital Center
Department of Cardiac Surgery
